- Collected and validated field data across multiple regions as part of a research study.
- Ensured data quality and consistency in reporting to the research team.

IT & Project Officer - Redeem for Wisdom Education Development and Manner (RWEDM), Tangail **Mar 2018 – Nov 2021**

- Served as IT and communications officer, supporting internal systems and external communications.
- Managed multiple projects as project manager, overseeing timelines, resources, and deliverables.
- Planned and executed field surveys and coordinated on-site field work.

Media Controller - Durbeen.com **Feb 2020 – Dec 2020**

- Published news content on schedule and performed editorial clearance prior to release.

ACADEMIC PROJECTS

Capstone Project: End-to-End Smart Road Inspection System Using UAVs, Edge Computing, and Deep Learning **CSE 498A**

Supervisor: T M Amir-Ul-Haque Bhuiyan | Course Teacher: Md. Ashiqur Rahman

- Conducted a structured literature review of deep learning-based road-defect detection models (including YOLO-based variants) to inform system design.

- Designed the system architecture, methodology workflow, and activity diagrams for a pipeline integrating UAV image capture, edge computing, and deep learning inference for automated road inspection.

Study Notes Sharing Platform — Team Project

CSE 400, SDP-4

Team members: Tanin Chowdhury, Sreejonty Chakraborty, Kh. Fahiya Jannat Proma, Radia Afrin Rimpay

- Co-authored the formal project proposal defining scope, objectives, and system requirements for a peer-to-peer study notes sharing platform.

EXTRACURRICULAR ACTIVITIES

Event Host

Jan 2014 – Present

- Hosted a variety of programs and events across school, college, and office settings.

Voluntary Blood Donor — YOC, Tangail

Jan 2018 – Present

- Completed 10+ voluntary blood donations.

SKILLS AND COMPETENCIES

Languages: Bangla (Native), English (Fluent)

Web & Media: Responsive Web Design, Video Editing

Software Tools: Microsoft Word, Microsoft Excel, Microsoft PowerPoint, Google Docs, Google Sheets, Google Slides, draw.io

Technical Exposure: Deep Learning fundamentals, UAV-based Systems, Edge Computing, System/Architecture Diagramming

Core Competencies: Attention to Detail, Problem Solving, Project Management, Team Coordination

INTERESTS

Reading novels - enjoy exploring fiction and non-fiction alike in spare time.

Traveling - interested in exploring new places and experiencing different cultures.

Riding - enjoy cycling and motorbike riding as a way to unwind and stay active.

Technology and device customization - enjoy exploring Android customization and device modding as a personal interest alongside academics.

DECLARATION

I hereby declare that all the information, qualifications, and experiences stated above are true, complete, and accurate to the best of my knowledge and belief. I understand that any misrepresentation or omission may be grounds for disqualification from consideration, or termination if discovered after engagement. I am prepared to furnish original documents, certificates, and references in support of the above information upon request.
